

Victory Christian Schools

Carmichael, CA

Junior High School Math Teacher

Employee Status

Part-time / 10 months / Salary

Reports to Superintendent

Overview of Purpose of Position

Teaching Math to Junior High students.

Personal Qualifications

- A believer who is deeply committed to a consistent daily walk with Jesus Christ, including personal devotions and prayer.
- Show in his/her life the joy of the Christian life.
- Follow the Matthew 18 Principle in dealing with students, athletes, coaches, faculty, parents and administration.
- Motivate students to accept God's gift of salvation and to grow in their faith.
- Recognize the role of parents as primarily responsible before God for their children's education and be prepared to assist them in that task.
- Respectfully submit and be loyal to constituted authority. Shall notify the administration of any policy he/she is unable to support.
- Maintain a professional appearance that is a Christian role model of cleanliness, modesty, good taste, and in agreement with school policy.
- In general, maintain a life that is suitable to the role of teacher as the representative of Victory Christian Schools to VCS families and the general public.

Professional and Education Qualifications

- Minimum of a Bachelor's degree in a related field plus a minimum of 3 years experience as a math instructor in a junior high or higher setting.
- Strong, proactive leadership and teaching skills.
- Excellent written and verbal communication skills.
- Strong ability to properly manage the classroom and students.
- Knowledge and proficiency in the use of math curriculum, teaching methodologies, and structures.

Responsibilities and Duties

- Instruct Junior High students in Math classes
- Create, plan, and implement an appropriate Math curriculum as needed.
- Manage time effectively between class lesson preparation, assignment grading, and other duties.
